LIFE IS GOOD in a boat, no doubt. It's better when you're in a 100 percent ring-spun cotton T-shirt. The pigment-dyed fabric weathers nicely and gets more comfy as time goes on. **Essentials:** \$20-\$23, lifeisgood.com

OLD GUYS RULE or at least they have the best boats. This fishing T-shirt says so in an understated sort of way. Nothing beats the comfort of soft combed-cotton T-shirts, and nothing says "leisure" like them, either. **Essentials:** \$19.95, oldguysrule.com
